

Stack Interest-Only

It was great aligning with you earlier, I am looking forward to connecting the dots with you here shortly - After further due diligence with our lender, for an outright sale to be successful, the total rent would need to be 2% of the purchase price. I have included terms that align best suited for our needs that may be in alignment with yours. The remaining equity portion is based on my capabilities of confidently satisfying the monthly payment to you based on rental rates. For this unique offer we are bringing a significantly large sum to closing in a down payment of \$40,000.00 and essentially overpaying for the property in the form of interest only payments - you will net an additional \$3,884.91 yearly, which accumulates to \$2,589.94 in addition to a short term payout of \$129,497.00 I am looking forward to getting this on paper with you soon. Approved Offer for 2717 2nd St, New Orleans, LA 70113 Contingent on inspection and appraisal: Purchase Price \$169,997.00 Down payment \$40,000.00 (Funds to seller; this payment includes any agent commission) 3. Earnest Money Deposit of \$500.00 submitted within 24 hours which becomes NON-Refundable in 14 days after inspections (This is to allow for proper tenant notice, agent and inspector accessibility as well as appraisal review) 4. Seller financing of remaining equity of \$129,497.00 reflecting payments at 3.00% interest only dispersed monthly at \$323.74 on top of the remaining equity which will be paid in one lump sum in just 84 months (No prepayment penalty) 5. Buyer pays buyer's closing costs 6. Close of escrow in just 30 days
