

Stack Multi-Family

LETTER OF INTENT TO PURCHASE I am presenting a couple offers for your listing at {
{Property Address}} It is great aligning with you, I am looking forward to connecting the
dots with you here shortly - After further precise due diligence with our DSCR lender, with
an outright sale, the loan proceeds can not be satisfied by the rental income. Now, what we
can do if your seller isn't completely opposed to it is we can use a unique strategy that
unlocks a large portion of their equity or another that defers capital gains taxes
preserving the seller's equity. Option 1: Full Asking Price {{Cash Offer}} Contingent on
inspection and appraisal: Purchase price {{Cash Offer}} A significantly inflated down
payment of 50% the purchase price (This payment includes any listing agent commission)
Earnest Money Deposit of \$1,000.00 submitted within 48 hours of authorized agreement -
becomes non-refundable after inspections in 14 days (Allowing for proper notice to any
residing tenants, along with agent and inspector availability and appraisal review)
Dispersed monthly principal payments amortized over 30 years with a full payout by month 72
Buyer pays buyer closing costs Buyer's choice for title Close of escrow in just 30 days
Seller is no longer responsible for property taxes, homeowners insurance, any repairs,
property management and tenants Upon acceptance of either offer please contact me directly
at 513-335-9110 I appreciate any feedback and look forward to working with you - Highest
